

# Village Voice Auto Rally Sunday

An impressive galaxy of foreign and American sports cars will line up this Sunday, July 14, at 12.30 p. m., to vie for prizes in Greenwich Village's first auto rally. The cars will assemble on Washington Place, just off the Square, under the direction of Rally Steward Jean Shepherd. The Village Voice is sponsoring this unusual event which emphasizes adherence to traffic regulations, rather than speed.

## Variety of Cars

The entries thus far include at least one each of the following: Citroen, Hillman, Austin-Healey, MG, Jaguar, Skoda, Thunderbird, Corvette, Isetta, and Volkswagen.

Each of the drivers will receive a route sheet one minute before take-off. There will be three check-points along the way at which they will have to stop. Be-

side prizes to the three top winners, an added award will go to the driver who returns to the

finish line with the best poker hand. A playing card will be given to the participants at start and finish, as well as at each of the check-points. The driver who ends up with the high hand will be awarded a case of world-famous Heineken's imported Holland beer, donated by The Village Voice.

## Trophy Presentation

Presentation of the first-place trophy, which was donated by Award Incentives, Inc., is scheduled for the week following the rally, when all scores have been tallied. Prizes to second- and third-place winners will be distributed at the same time.

Rally officials will gather at Slim Brundage's "Old Place," West 10th Street, after the rally to recapitulate the events.
